A one hundred dollar (\$100.00) deposit for utility service will be required of any person(s), business or corporation renting or leasing any premises and of any owner, renter or leaser of a mobile or manufactured home. It shall be the responsibility of the owner or agent of the owner of the premises to notify the City in writing of any change in tenants for said premises, prior to any deposit being accepted from a new tenant or any refund being given to a previous tenant. The deposit will be made with the Utility Clerk prior to service being connected. The deposit will remain with the City until such time as a written request by the depositor is made and received by the City notifying the City to disconnect service. When the request for disconnect of services is received by the City, the Utility Clerk shall notify the City Clerk of disconnection and request refund of deposit. Any usage of the utilities made prior to the deposit will result in immediate disconnect until such time as the deposit and penalty for unauthorized usage is made with the Utility Clerk.
